Principal's Corner

From the (current) Principal

There have been several super-milestone moments in my tenure as your Principal, and this is one of them. I am sincerely pleased and absolutely confident to hand over the reins of this beloved school to Mrs. Rachel Hafford, your new principal. It is the thrill of my professional life to see my vision realized for what a wonderful school could be. I have taken it as far as I know how; now it is time for Mrs. Hafford to launch it into the future. She too is a visionary and I have no doubt that this strong faculty shares the vision and will work every day beside her to keep this very special school healthy and dynamic. May God always hold SCB gently in the palm of His hands.
