

SCB End of Year Information

Uniforms

We are getting back to normalcy! All students should be arriving to school in a complete school uniform every day. No student should arrive in a P.E. uniform. No student should arrive in an athletic shirt, even if their team has a game or practice. Spirit shirts will be allowed on Thursdays.

P.E. Uniforms

6th and 7th graders will continue to need P.E. uniforms for next school year. However, they will go back to changing at school for P.E. They will have P.E. twice a week and should arrive to school in a complete school uniform on P.E. days. 5th graders will NOT need a P.E. uniform.

School Shoes

Due to continued production and shipping delays, we no longer are requiring specific brands for shoes. Please click [here](#) for shoe requirements and ensure that you follow our set guidelines.

Spirit Shirts

In August, we will sell spirit shirts for the school year for all students. These shirts will be able to be worn on **THURSDAYS** next school year with appropriate and approved school bottoms.
